BRAINROAD
Computer Repair & IT

Free computer scam checks, anywhere in the U.S.

Before you trust anyone about your computer, call.

(573) 687-9015

A real IT professional. The scam check is free.

Scan for the scam guide

Unexpected call about your computer?
BrainRoad never calls out of the blue. If you didn't ask for help, hang up.

Someone in your computer?
Hang up. Turn it off. That stops remote control.

Asked for gift cards or crypto?
That is a scam warning. Hang up before sending anything.

brainroad.com/scam-check

Phone hours: 10:00 a.m.–9:00 p.m. Central, Monday–Saturday

Cut along each border. One for your fridge, one for your folks.
